

**THANK YOU,** for contributing  
to the Springfield Family YMCA's **160 year tradition**  
of building strong kids, strong families,  
and strong communities!  
**1854-2014**

**OUR MISSION:** To serve the whole community through programs expressing Judeo-Christian principles that build a healthy spirit, mind and body.

The YMCA works best when everyone's included. As a contributor to the Springfield Family YMCA, you help ensure the participation of our community's children, adults, and families in programs that provide support when needed most. It's been said that giving to others is the essence of true happiness. For every child learning and growing, for every teen feeling a sense of belonging in a YMCA program, and for every family that feels connected to the community through a YMCA membership – a generous YMCA contributor is directly responsible.

The YMCA is about people – not buildings. We extend our thanks and appreciation to the many contributors who helped shape the lives of others. The sum of your financial contributions is considerable. Collectively, \$160,000 was contributed to those in need. However, your most important contribution of all is the simple act of giving.
