PLAY, LEARN & GROW

Come Play with a “Tiger” SPRINGFIELD FAMILY YMCA

Quality play time is sometimes hard to find. At the YMCA we want to make it easier for youth to find and plan that time. Consider spending some quality time with us in our after school program. As a member we want to offer this program at no cost to our young members age 8 and 9. This 8 week program runs beginning March 14th and runs through May 5. The program meets Mon thru Thurs and will focus on positive play with children. We will also offer and support the children with any homework help and work with children on goal setting, time management and group dynamics. Games will be activity based as well as thinking games to encourage strategic thinking and processing. Program is held Monday thru Thursday 3:30 p.m. —5:30 p.m.

- Cost to register is \$5 but children who attend at least 12 sessions will earn a \$5 credit to be used in a future program registration.
- This program will be run in conjunction with volunteers from Wittenberg completing their service learning requirement.
- Only children ages 8 and 9 will be able to participate at this time.
